The graduates of 1985 know that, "It is not your aptitude but your attitude that determines your altitude."

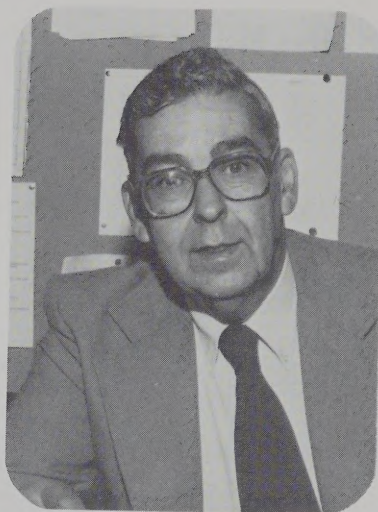

Graduation is not the end of the game but rather a new beginning. It is "First and ten." A new start, a new opportunity to work for another touch down, another score, another Victory. You have all learned to focus on goals and objectives, to dedicate yourselves to earn success, and to discipline your lives to overcome difficulties, disappointments and not give up. The only place that *success* comes before *work* is in the dictionary. Become the *author* of your own life. Don't merely report for practice (life), make practice (life) report for you. The difference between *champ* and *chump* is U.

May God grant you a life of purpose and service.

Respectfully,
H. Kummer

Senior's Message

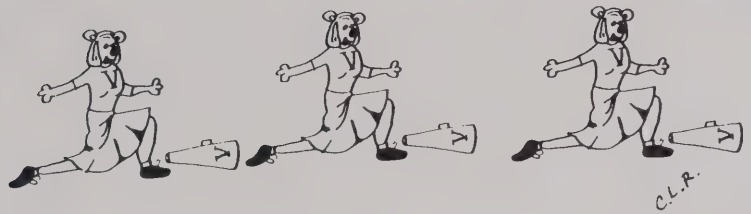

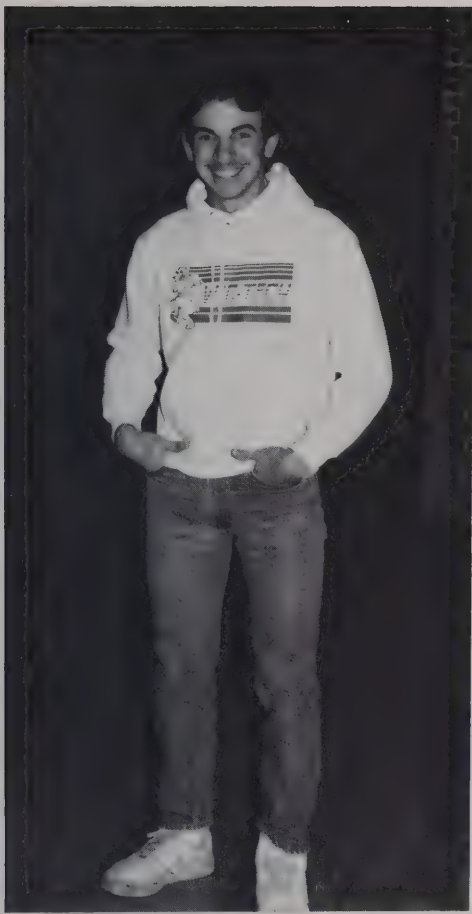

Now I'm out on my own against a great big world, wondering how four years of high school could have slipped by me so quickly. Whatever I decide to do now, I'll try to do it well. I'm just going to take life one day at a time, and climb over whatever may come along. There have been good times, and bad, but I wouldn't have missed them for the world. There were times when I wished I could have done better, when I knew I had done my best. There have been days when I would have given anything to be somewhere else, but now I wish I didn't have to leave. I will always remember the fun we had in the clubs, at dances, and participating in sports. That old school will be missed, and it's going to be hard to leave all the good times behind. Whatever I do, and wherever I go, I'll still have my memories, and when I look back, I can smile.

VOLLEYBALL

The 1984 Volleyball season was a learning year for most of the girls. The team was 1-17 on the season. The girls' record is misleading in the sense that most of our matches were close and could have gone either way. The highlight of the season for the girls was defeating the defending champs, Bishop Connolly.

The team had some experienced players. They were: Nayubel Pineda, Capt. Becky Power, Le Shea Silva and Nini Silva. The team will be losing Power and L. Silva due to graduation.

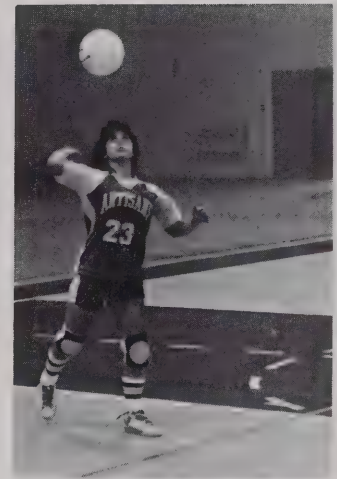

The outlook for the team is still uncertain up to this point. It is up to the inexperienced players to work on their weaknesses for next year. With a little bit of luck we should do just fine in "85".

C R COUNTRY S S

1984 was a rebuilding year for the Voc-Tech Bears. The team was 1 and 5 overall losing 4 meets by less than a total score of 10 points.

The future looks bright with 4 of the five runners being underclassmen.

The team will be losing their senior co-captains, Don Farland and Mark Falcon.

On the girls side, freshman Kris Mosha added to the squad, winning metals and trophies for her efforts in the state meets. Sophomore Missy Gelinass and junior Nila Smith ran super all season.

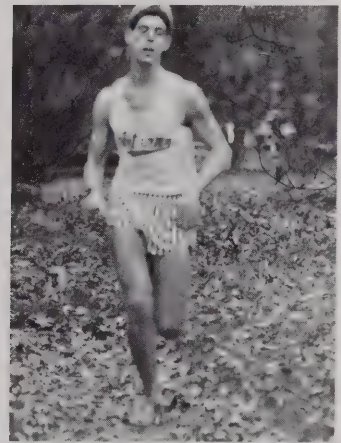

Next year, moving into a new league, Voc-Tech should be a tough team to beat.

TRI-MEET

Voc-Tech 61, Durfee 79, Feehan 113

The 1984 spring season was very disappointing with the team unable to win a meet. There were however, 2 freshmen records and 1 junior record set. Freshman Kevin Medeiros in the high jump at 5'7" and Doug Sewall in the triple jump at 36'10", while Junior Rodney Rapoza set a new javelin record of 174'4".

First row, seated, l. to r.: Sheila Chumack, Laurie Kehoe, Karen Nicely, Ruth Cravo, Jerilyn Goyette, Michelle Quintin, Becky Powers, Colleen Auger, Karen O'Brien. Second row: Coach Len Sylvia, Kelli Rozario, Nila Smith, Melissa Carter, Maria Medeiros, Ann Souza, Randi Trantham, Debbie Dupont, Sherri Boyer, Marisha Boyer, Heidi Rapoza, Nayubel Pineda. Third row: Val Robinson, Sandy Anacleto, Ann Cruz, Missy Gelinas, Kris Shark-ey, Cheryl Andrade, Dawn Ryan, Janet Potvin, Maureen McKay, Elaine Cyr, Jackie LeBlanc, Stacey Pinto.

GIRL'S SPRING TRACK

In the beginning of the year, inexperience and depth were the key words. This led to 2-5-0 overall record and 2-4-0 record in SMC div. III. As the season progressed, the girls improved and tied Barnstable for the divisional meet at Bourne, scoring 94 points well ahead of the other schools. Because of this strong finish, the following girls were selected to the All-Conference team: Sheila Chumack - high jump; Jerilyn Goyette - long jump; and Valerie Robinson - 220.

In state meet competition, Sheila Chumack placed third in the high jump and Valerie Robinson placed 4th in the 200M and 5th in the long jump in Class A. Also the 4X110 team comprised of Ann Cruz, Jerilyn Goyette, Valerie Robinson, and Sheila Chumack placed sixth, establishing a new school record of 53.3 seconds.

Front row, l. to r.: Marcel Garcia, Kevin Medeiros, George Ferro, Mellisa Carter, Nila Smith, Janet Jorgenson, James Kelly, Mellisa Gelinis, Kris Mosher, Kevin Clapp, Craig Moureira, Ray Martel. Standing: Coach George Sylvia, Danny Goulart, Pat Foster, Bill Stoltmier, Lourie Kehoe, Kevin Swindon, Billy Westgate, Bryon Bettencourt, Mark Falcon, Danny Jones, Jeff LeClair, Scott Gomes, Guy Cleaves, Shannon Sylvia, Kris Sharkey, Coach Phil Goulet.

WINTER TRACK

The 1984-1985 winter track team lead by senior tri-captains, Donald Farland, Billy Westgate, and Lourie Kehoe was the youngest and smallest team we've had in a number of years. Although the team won only one track meet during the season, this young team was much stronger and more talented than its record would indicate. Only the lack of strong runners in the sprints prevented them from having a 500 plus season. Outstanding performances were turned in by seniors Billy Westgate (hurdles) and Donald Farland in the 600 and 1000 yard runs. Soph. Kevin Medeiros in the high jump placed third in both the Voc-Tech Division and the conference. For the girls, Sr. high jumper Lourie Kehoe placed 5th in the Voc-Tech Division and State Class A meet. Freshman miler Kris Mosher placed 5th in the girls conference meet.

The 1984-85 Hockey team had the most potential of any team of the past. Unfortunately, the team was decimated by injuries. The highlight of the season was a 6-5 win over previously undefeated Connolly, handing them their only loss in the division. A strong finish gave the team an overall record of 6-11-1, with a division record of 4-10.

SOFTBALL

The girl's team was 3-15 overall and 3-11 in their division. The co-captains were Kris Perry and Teri Mello. Each of these girls did an outstanding job keeping the team together through this losing season. We ended up with 10 girls on the team and each in their own way contributed as best they could to keep the team together. Hopefully, in the future, this program will get stronger and popular to the girls in the spring. It will take unity among the girls to get better.

BASKETBALL

This year's Varsity Basketball team was made up of many talented individuals, that blended into a team which had to be reckoned with. Sorely missed next season will be Capt. Jim Teixeira, Jason Monteiro, Manny Adorno, Tony Balestracci and Kenny Rocha.

Next year's team has already been tabbed by many area coaches as "The Sleeping Giant" and the returning lettermen will attest that Voc-Tech basketball will be awakened!

AT GRADUATING TIME

The graduates are going forth—
God bless them every one!—
To run this hard and stubborn world
Just as it should be run;
But much I fear they'll find that facts
Don't always track with dreams;
And running this old world is not
As easy as it seems.

The world has garlands and applause
At graduating time;
And may forget him the next day,
When he attempts to climb.
Life is a battle where each one
Must seek and hold his own.
He who would rise above the clouds
Must scale the heights alone.

This is the rule of life to-day,
As it has ever been:
The world bestows its smiles on those
Who have the strength to win.
Beneath all outward semblances
It looks for merit true.
It little cares how much you know,
But asks, what can you do?
